Newsletter July 2021

Dear Parents and Carers,

We have a busy few weeks ahead as we come towards the end of the summer term. I hope you all manage to have some quality family time together.

School inductions

It was very sad to hear that school induction sessions could not go ahead as planned but hopefully the reception teachers have been in touch in other ways. We are finding some of the children to be quite emotional and this is to be expected with changes ahead. We will continue to support the children with readiness for school.

Paperwork sent home

We are sending home in a plastic sleeve, end of year reports, plotting progress summaries, an invite to prom for nursery leavers only and a consent form for applying nappy cream. Please return anything requested asap.

Sports day

This year unfortunately we are unable to host our sports day for parents to attend so instead we will let the children take part and take photographs to share on Tapestry.

Graduation for Leavers - Wednesday 14th July 1.30-3

Please can I ask that all leavers are in nursery for this afternoon so that we can celebrate the children's graduation. Again, we are unable to hold an event for parents to watch but we will film it and put it onto Tapestry for you to watch.

Prom party for leavers only - Wednesday 14th July 4.30-6

All nursery leavers are invited to their Prom where a Prom king and queen will be crowned. The children can dress up in their party wear and we will have a party for them. Please let us know if your child will not be attending.

End of term party Tuesday 20th July 9-12

All nursery children are invited to the party which takes place in the morning. If your child normally attends a full day, they will still require a lunch box.

Last day Tuesday 20th July

This is the last day for nursery children to be in then we close for the summer holidays. We wish all our leavers a very happy transition to school and will miss you all.

Holiday club runs 2nd, 9th, 16th and 23rd August. All bookings have been taken now.

Coronavirus guidelines

Please continue to follow the government guidelines until we know it is safe to do otherwise. Please follow the link below for more information.

<https://www.gov.uk/coronavirus>

Sun cream

Please continue to put Suncream on your child before entering nursery. If your child has allergies then please provide their own Suncream. In all cases of your own Suncream being brought into nursery, ensure it is clearly labelled with your child's name.

'50 Things to do before you're five'

'50 things to do' aims to provide inspiration for parents and carers to connect with children through a range of activities, all designed to have a positive impact on learning and health. Down load the app for lots of ideas of things to do with your child/ren.

Photographer - Wednesday 23rd June

If your child was in on this day, they will have ben photographed, Links to ordering photographs have been emailed to you. If you have not received your link, please let Penny know.

Gardener required

We are looking for someone with an interest in gardening to tidy our front garden between our fencing and school railings. Please let Penny know if there is anyone interested.

New EYFS

When we return in September, we will be following the revised Early Years Foundation Stage. I will email over the holidays, some information on how we are implementing

changes.

Finally, I want to thank each and everyone of you for all your ongoing support, love and kindness in keeping Alcester Nursery Studio going throughout this pandemic. I shall miss each and every one of our leavers and wish them all the very best for their future.

Love & best wishes

Penny

Manager of Alcester Nursery Studio Ltd
