Newsletter May 2025

Dear Parents and Carers,

I can't believe we are into our final term of the year. The children have been so busy with the various activities that have been going on and certainly with the new equipment in the preschool end.

Maths Champions

I am so pleased to say that Lynsey and Chloe have now completed the maths champion training. They have evoked so much joy in the children in ensuring maths activities are happening every day indoors and out and throughout the nursery.

School reception place

Thank you to all of you for informing me of your child's place for reception 2025. This will help us to have a smooth transition with your child's intended school.

Fundraising sponsored Easter walk

Thank you so very much for joining your child on the walk and raising funds for the nursery. I am pleased to say with your very generous donations we have raised just under £700.

Bank Holiday Monday 5th May

Nursery CLOSED

Stay & play - Thursday 15th May 9-10.30am

All parents/carers are welcome to attend with their child. This will be an opportunity for you to see all the new equipment in the preschool garden.

New Equipment

We are so pleased with the new climbing equipment which has been purchased with the money that we have raised over the past few years through fundraising events.

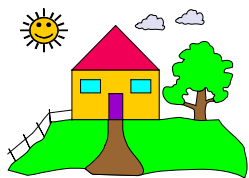

Illness

Please remember to telephone the nursery if your child is going to be absent. This also applies to school children who access our wrap around club.

School leavers Vista photoshoot - Wednesday 21st May 10 am start

This is for the school leavers **ONLY**. If your child is not normally in, then can they arrive at 10am for their photo to be taken?

LOTTERY FUNDED

Spring/summer portraits - open to all - Thursday 22nd May

If your child is not normally in on a Thursday, then please arrive at the nursery at 10.30 for the photograph to be taken.

Food and drink policy

Recently I emailed to you our revised policy on food and drink. It contained information for you to be aware of when making up your child's lunch. There is also a bit in there now about not sending in cakes or sweets for your child's birthday. We will still celebrate in nursery by singing, giving a card/sticker or crown.

Sun cream

With the weather now so much warmer and sunnier it is important children are wearing sun cream as they arrive. We will of course top them up during the day if you have sent their own in with a label on it. We use a shop own brand sun cream with a five star rating as a backup if a child doesn't have their own with them. For safety we have been keeping the sun creams in a basket to save children helping themselves or applying it to others.

Clothes

Please ensure all clothes that have been borrowed are returned as soon as possible.

Labelling items

I am sorry to keep asking this but can we please ensure your child's belongings are labelled. This includes lunch boxes, bottles and nursery jumpers.

Holiday Club

We try and run a holiday club during the summer break depending on demand. I will be sending out a booking form shortly for you to book some sessions if you wish. All details of what will be available, and costs will be explained on the booking form.

No more spaces

Nursery is not taking any more bookings for the remainder of this school year as we are full to capacity. This means that we will be unable to accommodate swapped sessions or add on sessions now as it will affect our ratios.

Holidays/Leave of absence

If your child is in receipt of a funded place then you are required to fill in a leave of absence form if you wish to take your child out of nursery for a holiday. These forms can be obtained from Penny or Jane if you require one

Half Term - 26th - 30th May inclusive NURSERY - CLOSED

Nursery and wrap around care will return on Monday 2nd June 2025

Kind Regards

Penny
