

National Children's Food Festival 2016

Welcome to The National Children's Food Festival 2016.

A week long celebration to promote learning about food and where it comes from.

Enclosed in the Welcome resource pack is a poster to display in your setting and a timetable for practitioners to complete.

This year we will be focusing on story telling!

We have created lots of downloadable resources at a small cost around 4 food inspired children's stories.

A contribution of the money made from the products will be donated to a chosen charity. The charity will be decided by one nursery that has taken part in week long celebrations. For the opportunity to be the chosen nursery send in your photos for us to share on our website and social media sites.

If you require any further support before, or during your food festival week please contact us at info@outstandingdaynurseries.co.uk

We are taking part in the

National Children's Food Festival

12th to 16th September

Bringing children closer to food.

**We will be exploring farming,
growing, manufacturing, selling,**

*Parent/Carers & Grandparents can you
help? Are you able to come in and share
skills?*
